

**BRIGHT FUTURES
ARE WRITTEN
BY HAND**

This activity can be used with children aged 4-6 years. It is designed to develop colour recognition and fine motor skills. Encourage correct use of holding the pencil by asking your child to pinch the pencil using their thumb and pointer finger about 1-2 cm from the tip. Then help your child to rest the pencil on their middle finger.

Colours

*Trace the words to write what colour each shape is.
You might like to trace the words in the same colour as the shape.*

1.

A red circle.

2.

A blue square.

3.

A yellow triangle.

4.

A green rectangle.
