

**BRIGHT FUTURES  
ARE WRITTEN  
BY HAND**

This activity can be used with children aged 7-8.  
It is designed to help them construct simple texts to correspond with pictures.

## Summer Selfies!

*Imagine you are sharing some summer selfies and text messages with friends. What will you be doing in the photos? Who might you be with? Draw a selfie picture in each of the mobile phones and write a text message to go with it.*
